**Slow/No Wake Lifted For Lake Monona, Order Effective at Noon Thursday**  
***Slow/No Wake Remains in Effect for Lake Kegonsa***

MADISON – Dane County will lift the Slow/No Wake orders for Lake Monona at Noon Thursday.

Lake Monona had been placed under a Slow/No Wake order following heavy rains in late summer.

Due to high water levels, a Slow/No Wake order remains in effect for Lake Kegonsa.

Boaters are reminded that all of the lakes in the Yahara Chain of Lakes have permanent, year-round 200-foot from shore Slow/No Wake restrictions.

In addition, navigational and hazard buoys have been removed from all lakes for the winter, please use caution when using waterways.
