

Emergency Action Plan for Manure Runoff/Spills

Farm Name:		
Owner/Operator:		
Farm Address:		
Township/Legal Description:		
Emergency Responder	Name	Telephone
Farm Contact(s)		. G. Gprione
Manure Hauler		
Equipment Operator(s) (examples: excavation equipment, vacuum		
pumper (septic), etc.)		

Manure Runoff/Spills Emergency Steps:

- 1. Stop the flow
 - Incorporate manure if possible
 - Till ground ahead of manure flow to increase infiltration
 - Divert manure away from streams, ditches, waterways, concentrated flow areas, lakes, ponds, tile inlets, sinkholes and wells
- **2. Contact DNR Spill Hotline at 1-800-943-0003**. Make sure you talk to a person. If you are unable to contact a person, contact the County Sheriff at 608-266-4948
- 3. Contact Dane County Land Conservation Division at 608-224-3730.
- **4. Clean up all accumulated manure.** Collected manure/runoff should be placed in storage or spread on another field where it cannot runoff. Other options may also be available.
- 5. Document your actions on the back of this page.

Documented Actions for Emergency Plan for Manure Runoff/Spills

Action Taken	Comments
When manure was applied? (date/time)	
What was manure application rate? (gallons/acre, tons/acre)	
Estimated volume of runoff?
