Water-related Budget Suggestions to the Dane County Lakes and Watershed Commission

Each year the Dane County Lakes & Watershed Commission prepares water-related budget recommendations for consideration by the Dane County Executive. We are seeking your ideas and recommendations that you think Dane County should consider in the coming year's budget to improve the quality, scenic, economic and environmental value of our lakes, streams, watersheds and drinking water. A draft of the Lakes and Watershed Commission's Budget Recommendations can be accessed online at: https://lwrd.countyofdane.com/about/committees-and-commissions/lwc-budget-recommendations

Please fill out the form below and send it to wrd@countyofdane.com by the date required on the website above. Please include "Water-related Budget Suggestions" in the subject line.

All received budget suggestions will be reviewed and considered for incorporation within the Lakes & Watershed Commission Budget Recommendations..
